

# GUEST BIBLE TEACHERS

**Roberto Livio**  
**Metro Manila, Philippines**

**A Bible Conference:** A gathering of blood-bought believers for the purpose of exalting God's only Saviour, the Lord Jesus Christ, by way of the faithful exposition of the sacred Scriptures. May our hearts be *warmed* by the absolute truth found in God's Word and may we be *warned* to reject anything which is not in line with God's infallible Revelation. May God's people be edified and encouraged in these last days, as we eagerly look for the blessed hope (happy expectation) of our Lord's soon coming for His Church.
