

## Fascinating What God Chooses to Use!

*Penned by an unknown writer.*

### **Joshua 6:12-21**

❑ **ONLY** a blast of rams' horns and a shout—and God made the walls of proud Jericho crumble to their foundations, and the key of all Canaan was in the hands of Israel (Joshua 6).

❑ **ONLY** an ox goad—but with it six hundred Philistines were slain, and Israel was delivered by Shamgar's God (Judges 3:31).

❑ **ONLY** a trumpet blast, the smash of lighted pitchers, and a shout—but by these, and Gideon, God delivered Israel from the seven-year yoke of the Midianites (Judges 6-8).

❑ **ONLY** the jawbone of an ass—yet heaps upon heaps of Philistines fell before it, because God strengthened Samson's arm that wielded it (Judges 15).

❑ **ONLY** a sling, and a stone with unerring precision, and directed by Almighty God—and that day Philistine mighty men were put to shame; the Philistine giant Goliath licked the dust, and God's honor was vindicated (1 Samuel 17).

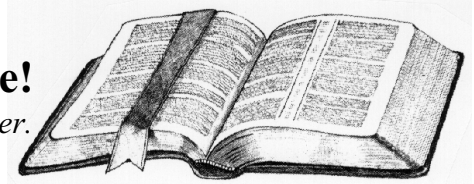

❑ **ONLY** a few ignorant, unlettered, yet wholehearted and consecrated men and women—but by the power of God they made men believe in that One whose life seemingly was a failure, and taught men the way of salvation which transforms its possessors into the likeness of the Son of God Himself, and ultimately lands them in eternal Glory (Acts 1-2). God uses the base, despised, weak, foolish things of this world to do His own glorious work (1 Cor. 1:27-29). If you are such in your own eyes, and content to be such in the eyes of others, then the very same power, from this very same Lord, for the very same purpose, will be yours!

In our weakness we find God's strength. When we come to the end of ourselves, we discover the endless supply of God's mercy and grace. Truly, the battle is the Lord's and He shall fight for us! Be still and see the deliverance of the Lord!
