

Something Happened!

John 20:19-31

Peter denied the Lord three times. He did not want to admit that he had been with Jesus and that he was one of His disciples. About 53 days later, this same Peter boldly confessed Christ before thousands of Jewish people (*Acts 2*). The man who cowered before a damsel (*John 18:17*) became a courageous preacher of the Gospel. **Something happened!**

The half-brothers of Jesus did not believe in Him (*John 7:5*). They grew up with Him but did not embrace Him as Israel's promised Saviour and King. James later became the leader of the Jerusalem church, and both he and Jude wrote New Testament books, claiming that they were slaves of Jesus Christ whom they served and loved (*James 1:1; Jude 1:1*). **Something happened** (*see 1 Cor. 15:7*)!

The Lord's disciples ran like scared rabbits after our Lord was arrested (*Mark 14:27,50*). Later these same men became bold preachers and missionaries, willing to be martyred for the Gospel they preached. **Something happened** to these men!

For centuries the Jewish people had set apart the Sabbath day (Saturday) for worship. Later Christian believers, many of whom were Jews, began to meet together on the first day of the week (Sunday). What brought about such a momentous change? **Something happened!**

Thomas was absent when Jesus appeared to His ten disciples in the evening. He missed out on that Sunday evening service. Later the other disciples said to him, "We have seen the Lord!" But Thomas said, "Except I shall see in His hands the print of the nails, and put my finger into the print of the nails, and thrust my hand into His side, I will not believe" (*John 20:25*). A week later, Thomas attended the Sunday evening service and "Doubting Thomas" instantly was transformed into "Convinced Thomas!" **Something happened!**
