## Helpful Thoughts on Personal Evangelism

1. I'm just a nobody telling everybody about Somebody who can save anybody.
2. Every heart without Jesus Christ is a mission field; every heart with Jesus Christ should be a missionary.
3. Reckon him a faithful Christian who is **not ashamed** of the gospel **nor a shame** to it.
4. If you want your neighbor to know what Christ will do for him, let him see what Christ has done for you.
5. Your life is the world's Bible; they are reading you every day.
6. A soul winner is one who never gets used to the sound of marching feet on the way to a lost eternity.
7. "Lord, lay some soul upon my heart and love that soul through me, and may I gladly do my part to win that soul for Thee."
8. The reason some folks don't believe in personal evangelism is that the brand of Christianity they have isn't worth propagating.
9. Don't ever say that we have no opportunity to reach people; it is not that the chances are missing, but we are missing the chances.
10. Soul winners are not soul winners because of what they know, but because of **Whom** they know, and how well they know Him, and how much they long for others to know Him.
11. God hasn't made many of us lawyers, but He has subpoenaed all of us as witnesses! (*Acts 1:8*)
12. Live so that when you tell someone you are a Christian, it confirms their suspicions instead of surprising them.
13. The best **tact** in winning a soul is contact.
14. You can count on **God's ability**; can God count on your **availability**?
15. Our life should provoke questions; our **lips** should supply answers (*Col. 4:5-6*); this is *the show and tell method*: **show** by your life; **tell** with your lips.
