These notes are produced by the MIDDLETOWN BIBLE CHURCH (349 East Street, Middletown, CT 06457) and are intended to be of help for the teacher in the teen classes (whether Jr. High or Senior High). These studies may be used for 13 weeks (one quarter), using one chapter each week. These notes are in rough form and they need to be re-typed and in some places re-worked. We are making them available in their present form because they have been useful and of value for Teen Sunday School teachers, in a day when good Bible-centered material is hard to find. To avoid confusion, it is best to use a King James Version of the Holy Bible when using these notes. These studies should not be reproduced without permission. Thank you.
